Welcome to the 36th annual Land of the Loon Ethnic Arts & Crafts Festival! This two-day event, held the 3rd full weekend in June, celebrates the culture and customs of the diverse people who settled in Northeastern Minnesota. Festivities begin with a 9:00 a.m. Saturday morning parade in downtown Virginia. Then the activities shift north to beautiful Olcott Park where you can sample delicious ethnic foods, listen to colorful music from countries around the world, browse the hundreds of art and craft booths, and celebrate the weekend-long family entertainment hosted by Iron Range volunteers.

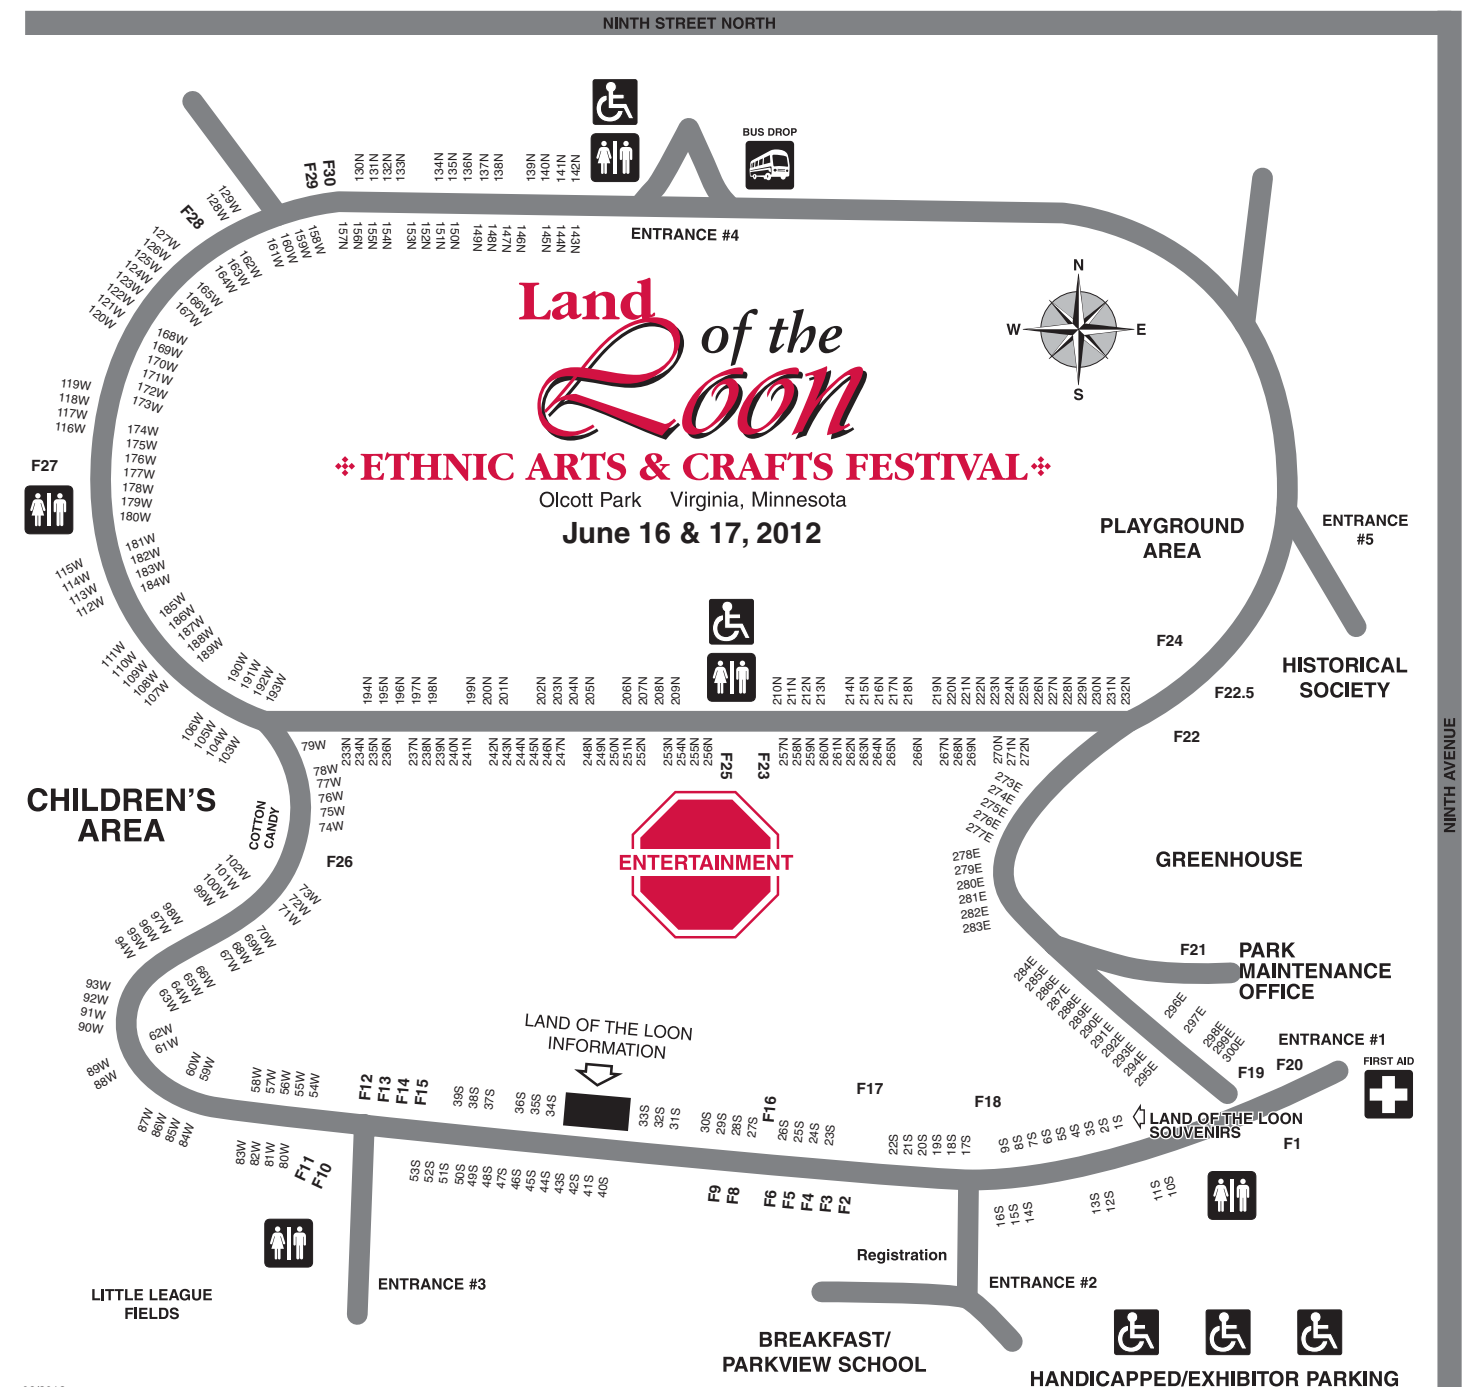

We hope this informational flyer helps you in finding just what you're looking for! If not, stop by our **Information Booth** centrally located on the south road of the park and our friendly volunteers will assist you. A suggestion box is also located there for your comments and suggestions.

Check out the variety of Land of the Loon Festival **souvenirs** including tye-dyed t-shirts, denim shirts, shot glasses, temporary tattoos, sweatshirts, hats, key chains, postcards, beach towels, pins, etc. that are available for purchase at our Souvenir Booth, located near booth 1S in the southeast corner of the park. They make great gifts!

And one more thing ... **no pets allowed** due to City Ordinance.

This Festival would not be possible without the help of our very dedicated volunteers and YOU! The festival plays an important part in promoting our community and provides added benefits to the City of Virginia and surrounding communities. We hope you enjoy this year's Festival!

Co-Chairs: Luke and Brittany Chopp
